A QUEMLER.

COMECEI a dar principio a laboriosa obra deste Theatro Genealogico, pellas Arvores de Costados das Familias, que pertencem ao Reyno de Portugal, assim pellas muitas noticias, que desta materia alcancei da quelle Reyno, senão perdessem, no caso que me falte a vida, pois os meus annos, & achaques me dão muito poucas esperanças della, como porque das Familias destes Reynos de Espanha, há já tantos livros impressos, que em caso que não possa continuar com esta obra, bastantemente dão noticia dellas; neste primeiro tomo, não pude incluir todas as Arvores que pertencem a aquelle Reyno, assim por não o fazer muito volumoso, como porque me faltão inda algumas noticias, & não querer dilatar mais o dallo a estampa, no segundo tomo porei todas aquellas Arvores, que faltão para fazer completa a obra que pertencer ao Reino de Portugal, & no terceiro, & quarto as familias de todos os Reynos, que estão debaixo do grande dominio de ElRey de Espanha, com que farei completa esta obra.

Não puz a Arvore de cada pessoa, debaixo do apelido de que hoje se cognomina, senão do Tittulo da Varonia da sua Casa, & para ficar facil a quem quizer buscar a tal Arvore; fiz o Indice seguinte, onde puz as Arvores dos Titulos, por ordem Alfabetica, & depois as dos mais fidalgos, pela mesma serie, seguindo neste lugar o apelido de que hoje usão, para mais facilmente se poder achar; & desta mesma sorte continuarei toda a obra, a qual sojeito á censura de todos os que nella acharem que emendar, pois por Estrangeiro poderei cabir em alguns erros, que não cometera se escrevera em idioma, & de Familias nacionaes, mas pareceome escrever estes dous primeiros tomos que pertencem a Portugal na lingua Portuguesa, por que de outra sorte, me não seria possível explicar muitos cargos, officios, & dignidades, que ha no Reyno de Portugal, & occuparão as pessoas de que trato, & nestes de Espanha, ou os não ha, ou se os temos he com diferente tittulo.
